

RoHS Compliance Declaration

We, Kee Connections Ltd,

hereby declare that we have read and understood the EU Directive 2015/863/EU on the Restriction of the use of certain Hazardous Substances in Electrical and Electronic Equipment (EEE), commonly referred to as the RoHS Directive.

The RoHS Directive has been updated to RoHS 3 to replace the previous versions and now restricts the use of 10 hazardous substances in Electrical and Electronic Equipment. This updated version is aligned with the requirements of the WEEE Directive.

After evaluating the latest RoHS requirements, we hereby certify that:

Compliance with RoHS 3: All components and commodities supplied from the date of this declaration comply with the RoHS 3 Directive (2015/863/EU). This includes the restriction of lead (Pb), mercury (Hg), cadmium (Cd), hexavalent chromium (Cr6+), polybrominated biphenyls (PBB), polybrominated diphenyl ethers (PBDE), and the four additional phthalates: DEHP, BBP, DBP, and DIBP.

We confirm that the materials and components provided to your company are fully compliant with applicable environmental and safety regulations.
